## **I.O.O.F. Cemetery, Kingwood, Upper Turkeyfoot Twp. [UT10]**

NOTES: There are two readings of this cemetery in the W.P.A. Readings archived in the Biesecker Public Library, Somerset, PA. The original one was done about 1934, and the second one was done in the summer of 1981 by Dixie Hyatt.

In attempting comparisons between the two, only a few of the 1934 readings are found in the 1981 reading. Therefore, in this compilation, the pages of the 1981 readings will be numbered consecutively with those of the 1934 readings, and entries from both readings will be entered into the database. Therefore there will be a few duplicate names.

The 1934 readings appear to be in almost chronological order. So it is possible that they were transcribed from a register of burials, rather than from a reading of the tombstones.
